1 Introduction

1.1	Goal	1-1
1.2	Related Policies	1-1
1.3	Scope of Manual	1-2
1.4	Application of Policies and Procedures.....	1-2
1.5	Revision	1-3
1.6	Conflict.....	1-3
1.7	Saving Clause	1-3
1.8	Definitions	1-3
1.8.1	Assistant General Manager (AGM).....	1-3
1.8.2	Customer	1-3
1.8.3	Distribution System Charge	1-3
1.8.4	District	1-4
1.8.5	Equivalent Residential Unit (ERU)	1-4
1.8.6	General Facilities Charge.....	1-4
1.8.7	Interim Connection	1-4
1.8.8	Interim Water Service.....	1-5
1.8.9	New Customer	1-5
1.8.10	Point of Delivery.....	1-5
1.8.11	Service Connection Charges	1-5
1.8.12	Standard Specifications	1-5
1.8.13	Temporary Water Service	1-5
1.8.14	Water Consumption	1-6
1.8.15	Water Main Extension	1-6
1.8.16	Water Service	1-6

2 General Terms, Conditions, and Policies for Water Service

2.1	General Provisions	2-1
2.1.1	Scope	2-1
2.2	Initiating and Terminating Service.....	2-1
2.2.1	Service Application or Contract.....	2-1
2.2.2	Agreement	2-2
2.2.3	Owner/Agent Agreement	2-2
2.2.4	Initiation of Service.....	2-2
2.2.5	Disconnection of Service	2-3
2.2.6	Reconnection.....	2-4
2.2.7	Termination of Service by a Customer	2-4
2.3	Service and Equipment Requirements	2-5
2.3.1	Customer Facilities	2-5

2.3.2	Requirement of Adjacency to District Main	2-5
2.3.3	Placement of Service Equipment	2-5
2.3.4	Responsibility for Maintenance	2-6
2.3.5	Safeguard of District Facilities	2-6
2.3.6	Access to Premises	2-7
2.3.7	Separate Service for Each Lot, Property, or Residence	2-8
2.3.8	Multiple Meters	2-9
2.3.9	Meter Testing	2-9
2.3.10	Pressure Reducing Valves	2-9
2.3.11	Booster Facilities	2-10
2.3.12	Cross-Connection Prevention	2-11
2.3.13	Backflow-Prevention Assemblies	2-11
2.3.14	Relocation and Abandonment of Delivery Points	2-12
2.3.15	Resale	2-13
2.3.16	System Disturbances	2-13
2.3.17	Freezing	2-13
2.3.18	Interruption of Service	2-13
2.3.19	Additional Water Supply	2-14
2.3.20	District Representation by Employees	2-14
2.4	Meter Reading, Billing, Payment, and Collections	2-15
2.4.1	Meter Reading	2-15
2.4.2	Multiple Delivery Points	2-15
2.4.3	Billing	2-15
2.4.4	Payments	2-16
2.4.5	Payment Plans	2-16
2.4.6	Adjustments	2-16
2.4.7	Reminder Notices	2-19
2.4.8	Disconnect Notices	2-19
2.4.9	Collection	2-19
2.4.10	Extenuating Circumstances	2-20
2.4.11	Insolvent Accounts	2-20
2.4.12	Transfer of Unpaid Balances	2-21
2.5	Dispute Resolution	2-21
2.5.1	Mandatory Hearing	2-21
2.5.2	Discretionary Hearing	2-21
2.5.3	Binding Decision	2-22
2.5.4	Written Hearing Request	2-22
2.5.5	Delivering Request for Mandatory Hearing	2-22
2.5.6	Delivering Request for Discretionary Hearing	2-22
2.5.7	Hearing Date	2-22
2.5.8	Notice of Hearing	2-23
2.5.9	District's Action Stayed Pending Receipt of Written Request for Hearing	2-23
2.5.10	District's Action Stayed Pending Hearing	2-23

2.5.11	Security Deposit Pending Hearing	2-24
2.5.12	Performance Pending Hearing	2-24
2.5.13	Failure to Appear	2-24
2.5.14	Continuances	2-24
2.5.15	Representation	2-25
2.5.16	Evidence.....	2-25
2.5.17	Legal Authority	2-25
2.5.18	Limitation on Authority	2-25
2.5.19	Review of District Action	2-26
2.6	Rates, Fees, and Charges	2-26
2.6.1	Service Connection Charge	2-26
2.6.2	General Facilities Charge (GFC).....	2-26
2.6.3	Distribution System Charge (DSC).....	2-29
2.6.4	Rate Schedules	2-30
2.6.5	Non-Standard Service Charges	2-30
2.6.6	Account Service Charge	2-31
2.6.7	Records Research Charge and Public Information Requests.....	2-32
2.6.8	Disconnection/Reconnection Charge	2-32
2.6.9	Discounts	2-33
2.6.10	After-Hours Connection Charge – New Customer or Vacant Account Reconnect	2-33
2.6.11	After-Hours Service Charge – Established Customers	2-33
2.6.12	Returned Check Charge.....	2-33
2.6.13	Field Collection Call Charge.....	2-34
2.6.14	Security Deposits.....	2-34
2.6.15	Charge at Cost for Non-Standard Service.....	2-35
2.6.16	Surcharges	2-35
2.7	Violations	2-35
2.7.1	Unauthorized Taking of Water, Tampering with Equipment, and Unauthorized Connection to the District's System	2-36
2.8	Fire Protection	2-36
2.8.1	Commercial Fire Protection Service.....	2-36
2.8.2	Hydrant Installation	2-37
2.8.3	No Guarantee of Adequate Water for Fire Protection	2-38
2.9	Special Arrangements for Short-Term Water Usage.....	2-38
2.9.1	Temporary Water Service	2-38
2.9.2	Hydrant Use	2-39
2.9.3	Bulk Water Withdrawals	2-40

3 Extension Policies

3.1	Introduction	3-1
3.1.1	General Provisions	3-1
3.1.2	Application of Policies and Procedures	3-1
3.1.3	Standards and Specifications	3-2
3.1.4	Notification	3-2
3.2	Administrative Procedures for System Extension	3-2
3.2.1	Plan Approval Required	3-2
3.2.2	Application	3-2
3.2.3	District Review	3-3
3.2.4	Extension Agreement	3-3
3.2.5	Submittal of Plans and Specifications	3-4
3.2.6	Permits, Easements, and Approvals	3-4
3.2.7	As-Built Drawings	3-5
3.2.8	Final Acceptance	3-5
3.2.9	Letter of Credit	3-6
3.2.10	Maintenance Bond	3-7
3.2.11	Indemnify, Defend, and Save Harmless	3-8
3.2.12	Bill of Sale	3-8
3.3	Financing and Fees	3-8
3.3.1	Financing Methods	3-8
3.3.2	Formation of a Local Utility District	3-9
3.3.3	LUD Assessments	3-10
3.3.4	Plan Review Fee	3-11
3.3.5	Extension Agreement Fee	3-11
3.3.6	Summary of Extension Fees	3-11
3.3.7	General Facilities Charge (GFC)	3-12
3.3.8	Distribution System Charge (DSC)	3-15
3.3.9	Reimbursement Using the DSC	3-16
3.3.10	Non-Standard Engineering Fees	3-17
3.3.11	Over-Sizing and Replacement	3-17
3.4	Design	3-20
3.4.1	Standards and Specifications	3-20
3.4.2	Extension of Mains Along Property Frontages	3-20
3.4.3	Looping	3-21
3.4.4	Water System Fire Flow Requirements	3-22
3.4.5	Water System Flow Standards Not Altered By Sprinkler System	3-23
3.5	General Construction Procedures	3-23
3.5.1	Technical Standards and Specifications	3-23
3.5.2	Approved Contractor	3-23
3.5.3	Pre-Construction Conference	3-23
3.5.4	Deviations	3-24

3.5.5	Taps to Existing Main	3-24
3.5.6	Service Equipment	3-24
3.5.7	District Access	3-24
3.6	Interim Connections	3-24
3.6.1	Introduction	3-24
3.6.2	Interim Connection Agreement	3-25
3.6.3	Fees and Charges	3-25
3.6.4	Easements, Property Rights, and Permits	3-25
3.6.5	Termination of Interim Service	3-26

4 Satellite System Management

4.1	Introduction	4-1
4.1.1	Background	4-1
4.1.2	Types of Service	4-1
4.2	Policies and Procedures for Direct Service	4-2
4.2.1	Conditions	4-3
4.2.2	General Policies and Procedures	4-4
4.2.3	Review and Approval Procedures	4-5
4.2.4	Submittal to Commission	4-7
4.2.5	Refund of Advances for Feasibility Studies	4-7
4.2.6	Agreements and Conveyances	4-7
4.2.7	Rates, Fees, and Charges	4-7
4.3	Policies and Procedures for Contract Services	4-8
4.3.1	Conditions	4-8
4.3.2	Review and Approval Procedures	4-8
4.4	Policies and Procedures for Support Assistance	4-9
4.4.1	Conditions	4-10
4.4.2	Review and Approval Procedures	4-10
	Exhibit 4-1 Satellite System Program Service Application and Review Procedures Flow Chart	4-11

Appendix A Standards and Specifications for Design and Construction

A1	Introduction	A-1
A2	Design Standards	A-1
A2.1	Water Source Development	A-1
A2.1.1	Water Source Construction	A-1
A2.1.2	Water Rights	A-1
A2.1.3	Water Quality	A-2
A2.2	Transmission, Storage, and Distribution	A-2
A2.2.1	Pipe Materials	A-2
A2.2.2	Pipe Sizing	A-3

	A2.2.3 Pipe Layout	A-4
	A2.2.4 Storage Facilities	A-4
	A2.2.5 Pressure Requirements	A-5
	A2.2.6 Pressure Reducing Stations	A-5
	A2.2.7 Fire Flow	A-5
	A2.2.8 Fire Hydrant Spacing	A-6
	A2.2.9 Valve Placement	A-6
	A2.2.10 Water and Sewer Line Separation	A-6
	A2.2.11 Pump Stations	A-6
A2.3	Water Services	A-10
	A2.3.1 Standard Water Services	A-10
	A2.3.2 Irrigation Water Services	A-11
	A2.3.3 Backflow Prevention	A-11
A3	Material and Construction Specifications	A-12
A3.1	General	A-12
	A3.1.1 Standard Specifications	A-12
	A3.1.2 Reference Specifications	A-12
	A3.1.3 Approval Equal	A-13
	A3.1.4 Inspection	A-13
	A3.1.5 Existing Utilities or Obstructions in the Public Right-of-Way	A-13
	A3.1.6 Salvage of Material	A-13
	A3.1.7 Disposal of Asbestos Material	A-14
	A3.1.8 Petroleum Contaminated Soils Removal and Disposal	A-14
	A3.1.9 Laws and Safety Regulations	A-15
	A3.1.10 Surface Restoration	A-16
	A3.1.11 Asphalt Concrete Pavement/ ATB	A-16
	A3.1.12 Temporary MC Cold Mix Asphalt	A-17
	A3.1.13 Crushed Rock Surfacing	A-17
	A3.1.14 Dust Control	A-17
A3.2	Material Specifications	A-18
	A3.2.1 Water Piping- General	A-18
	A3.2.2 Ductile Iron Pipe	A-18
	A3.2.3 Poly and PVC Pipe	A-19
	A3.2.4 Pipe Fittings	A-19
	A3.2.5 Resilient Seated Gate Valves (2" Thru 12" Valves)	A-19
	A3.2.6 Butterfly Valves (12" or Larger Valves)	A-19
	A3.2.7 Tapping Tee and Valve	A-20
	A3.2.8 Combination Air-Vacuum Release Valve Assembly	A-20
	A3.2.9 Valve Boxes, Marker Posts and Asphalt Protection Pad	A-20
	A3.2.10 Fire Hydrant Assemblies	A-20

A3.2.11	Blow-Off Assemblies	A-21
A3.3	Construction Standards	A-21
A3.3.1	Installation of Pipe	A-21
A3.3.2	Installation of Valves, Valve Boxes, and Asphalt Protection Pad	A-22
A3.3.3	Installation of Valve Marker Posts	A-22
A3.3.4	Installation of Services	A-22
A3.3.5	Installation of Back Flow	A-23
A3.3.6	Alignment	A-24
A3.3.7	Trench Depth	A-24
A3.3.8	Installation of Water Main Casing	A-24
A3.3.9	Concrete Blocking	A-24
A3.3.10	Connection of Existing System	A-25
A3.3.11	Temporary Construction Connection to Existing System	A-26
A3.3.12	Valve Operation	A-26
A3.3.13	Earthwork	A-27
A3.4	Testing and Sterilization	A-28
A3.4.1	Hydrostatic Pressure Test	A-28
A3.4.2	Leakage Tests	A-29
A3.4.3	Disinfection and Bacteriological Purity Test	A-30
A3.4.4	Disposal of Chlorinated Water	A-30
A3.5	Traffic Maintenance	A-30
A3.6	Safety	A-31

Detail Drawings

1" Standard Domestic Water Service	A-32
Existing 1" Service Replacement	A-33
Typical Guidelines for Pre-Run Water Services	A-34
1" Single Family Residential Fire Service	A-35
1-1/2" – 2" Standard Meter Installation	A-36
2" Multi Family Residential Fire Service	A-37
2" Standard Meter Installation with 2" PRV	A-38
Meter Vault for 3" and Larger	A-39
Fire Hydrant Assembly	A-40
Fire Hydrant Cut or Fill	A-41
Fire Hydrant Guard Post	A-42
Concrete Blocking	A-43
1" Combination Air/ Vacuum Release Valve Assembly	A-44
1" Combination Air/Vacuum Release Valve Assembly	A-44
2" Flush Style Blow-Off Assembly	A-45
2" Flush Style Blow-Off Assembly (Not Adjacent to Main) ...	A-46

Protective Pad Detail.....	A-47
Operating Nut Extension Detail.....	A-48
Valve Marker Post Details	A-49
Valve Box Detail	A-51
Typical Casing Detail	A-52
Double Detector Check Assembly (DCDA) 3” & Larger “Fire System”.....	A-53
Reduced Pressure Backflow Assembly (RPBA) All Sizes.....	A-54
Double Check Valve Assembly (DCVA) 3” & Larger	A-55
Reduced Pressure Backflow Assembly (RPBA) 3” and Larger	A-56
Reduced Pressure Backflow Assembly (RPBA) 2” Installation Notes.....	A-57
Reduced Pressure Backflow Assembly (RPBA) 2” “Retrofits”	A-58
Reduced Pressure Backflow Assembly (RPBA) 2” “Hot Box Detail 1 of 2”	A-59
Reduced Pressure Backflow Assembly (RPBA) 2” “Hot Box Detail 2 of 2”	A-60
Air Gap for Tank.....	A-61
Double Check Valve Assembly (DVCA) 2” And Smaller	A-62
DCDA—Double Check Detector Assembly (Installed Inside Building)	A-63
RPBA- All sizes (Installed Inside Building)	A-64
6”- 8” Pressure Reducing Valve (PRV).....	A-65
Typical Trench Detail in Pavement	A-66
Trench Within Crushed Rock Road Shoulder	A-67
Typical Crushed Rock Trench Detail	A-68
Water As-built Detail	A-69

Appendix B Rates, Charges, and Fees

Table B-1	Service Connection Charge
Table B-2	General Facilities Charge (GFC)
Table B-3	ERU Determination
Table B-4	Distribution System Charge (DSC)
Table B-5	Distribution System Charge (DSC) Satellite, and Other LUD Systems Single-Family Residential
Table B-6	Water Service Rates and Charges - Single Family
Table B-7	Water Service Rates and Charges - Multiple Family
Table B-8	Water Service Rates and Charges – Commercial/Industrial
Table B-9	Wholesale Water Service

Table B-10 Miscellaneous Fees
Table B-11 Engineering Service Fees
Table B-12 Standard Penalties
