

## MORE WAYS TO SAVE

### PUD Marketplace

The PUD offers one-stop shopping for smart thermostats, efficient lighting, showerheads, water-savers and advanced power strips. Special prices include PUD discounts, and the Smart Thermostat reward is deducted from your purchase if you're eligible.

**Buy with confidence:** [marketplace.snopud.com](http://marketplace.snopud.com)

### Home Energy Profile

Not sure what energy-saving measures will save the most? You can take our online Home Energy Profile for help! By answering a few questions (about 5 minutes), you will build your profile and receive suggestions on changes and PUD programs that can help you lower your energy costs.

**Get Started:** [snopud.com/energyprofile](http://snopud.com/energyprofile)

### Low-income Weatherization Assistance

A free service to weatherize the homes of qualifying income-eligible customers provided by local community agencies and the PUD through Washington's Energy Matchmaker program. Example improvements: adding insulation, heating system tune-ups, refrigerator replacement and others that help reduce energy bills and enhance the health, safety and comfort of the dwelling.

For more information, call Snohomish County Weatherization at 425-388-7205 (Camano Island residents, call 1-800-317-5427, ext. 136).

**CUSTOMERS WITH ELECTRIC HEAT**

If your primary heat source is electric, the energy used to heat your home can account for almost half of your winter PUD bills. We can help you make energy-saving improvements to your home to reduce your bill.

Instant Rebates are available for weatherization and heating upgrades. Rebate amounts depend on the measure installed.

Eligible Measures	PUD Rebate
<i>Duct Sealing &amp; Insulation</i>	
Single Family	\$5.00 per lineal foot, maximum \$450
Manufactured Homes
