

SPECIAL PROGRAMS

Funding for Multifamily Buildings

Attention, property owners and management companies!
If you own a property with 5 or more attached dwellings, our multifamily conservation program can help you upgrade your property, increasing its value and improving your tenants' comfort. The program offers incentives for the installation of approved measures: insulation or windows as well as showerheads, faucet aerators or advanced powerstrips and common area lighting.

Low-income Weatherization Assistance

A free service to weatherize the homes of qualifying income-eligible customers provided by local community agencies and the PUD through Washington's Energy Matchmaker program. Example improvements: adding insulation, heating system tune-ups, refrigerator replacement and others that help reduce energy bills and enhance the health, safety and comfort of the dwelling.

For more information, call Snohomish County Weatherization at 425-388-7205 (Camano Island residents, call 1-800-317-5427, ext. 136).
