

PREQUALIFICATION OF ELECTRICAL LINE CONTRACTORS

This is to notify electrical **high voltage** construction contractors that Public Utility District No. 1 of Snohomish County in Everett, Washington is prequalifying contractors for construction work for 2024.

The District anticipates several large Transmission and Distribution Line construction projects for 2024 and encourages contractors accustomed to performing large scale scopes of work to become prequalified to bid with the District.

The application and instructions are available via our website at www.snopud.com; select "Bids" followed by "Prequalification Application". The categories of work are listed on the application. The deadline for acceptance of applications is 12:00 p.m. on Thursday, August 24, 2023.

**WE ENCOURAGE MINORITY AND WOMEN'S BUSINESS
ENTERPRISES TO APPLY**
