LOWER SULTAN	4, 5	II–IV+	4.5	0	4.5	5.4	<p>Class IV+ rapid ("Last Nasty") at RM 4.1 can be portaged on river right.</p> <p>It is possible to take out (or put in) at the Trout Farm Road Access at RM 2.7. This is the boundary between segments 4 and 5.</p>

## Know Before You Go!

- Boat at your own risk!
- Be aware of river hazards such as those caused by landslides and the presence of wood.
- Be alert to unexpected river fluctuations.
- Be mindful of your personal capabilities and limitations.
- Rescue is difficult in canyon and not guaranteed.
- Know access restrictions at Culmback Dam and Diversion Dam.
- Always exercise safety by being prepared.
- Check weather forecast.
- Watch videos on PUD website of various flow levels.
- Hikes are required from parking areas to put-in spots.

## UNIVERSAL RIVER SIGNALS

**STOP!**

**HELP!**

**ALL CLEAR!**

**I'M OKAY!**
