1. Boat at your own risk!
2. Be aware of river hazards such as those caused by landslides and the presence of wood.
3. Be alert to unexpected river fluctuations.
4. Be mindful of your personal capabilities and limitations.
5. Rescue is difficult in canyon and not guaranteed.

6. Know access restrictions at Culmback Dam and Diversion Dam.
7. Always exercise safety by being prepared.
8. Check weather forecast.
9. Watch videos on PUD website of various flow levels.
10. Hikes are required from parking areas to put-in spots.
