## 1 Introduction

1.1	Goal.....	1-1
1.2	Related Policies.....	1-1
1.3	Scope of Manual .....	1-2
1.4	Application of Policies and Procedures .....	1-2
1.5	Revision .....	1-2
1.6	Conflict .....	1-3
1.7	Saving Clause.....	1-3
1.8	Definitions.....	1-3
1.8.1	Applicant.....	1-3
1.8.2	Assistant General Manager (AGM) .....	1-3
1.8.3	Customer .....	1-3
1.8.4	Distribution System Charge .....	1-3
1.8.5	District.....	1-4
1.8.6	Equivalent Residential Unit (ERU) .....	1-4
1.8.7	General Facilities Charge.....	1-4
1.8.8	Interim Connection .....	1-4
1.8.9	Interim Water Service .....	1-4
1.8.10	New Customer .....	1-4
1.8.11	Point of Delivery.....	1-5
1.8.12	Service Connection Charges .....	1-5
1.8.13	Standard Specifications.....	1-5
1.8.14	Temporary Water Service .....	1-5
1.8.15	Water Consumption .....	1-5
1.8.16	Water Main Extension .....	1-5
1.8.17	Water Service.....	1-5

## 2 General Terms, Conditions, and Policies for Water Service

2.1	General Provisions .....	2-1
2.1.1	Scope.....	2-1
2.2	Initiating and Terminating Service.....	2-1
2.2.1	Service Application or Contract.....	2-1
2.2.2	Agreement.....	2-2
2.2.3	Owner/Agent Agreement .....	2-2
2.2.4	Initiation of Service.....	2-2
2.2.5	Disconnection of Service .....	2-2
2.2.6	Reconnection.....	2-3
2.2.7	Termination of Service by a Customer .....	2-4
2.2.8	Consumer Alerts, Unusual or Suspicious Account Activity.....	2-4

2.3	Service and Equipment Requirements .....	2-4
2.3.1	Customer Facilities .....	2-4
2.3.2	Requirement of Adjacency to District Main .....	2-4
2.3.3	Placement of Service Equipment .....	2-5
2.3.4	Responsibility for Maintenance .....	2-5
2.3.5	Safeguard of District Facilities .....	2-5
2.3.6	Access to Premises.....	2-6
2.3.7	Separate Service for Each Lot, Property, or Residence .....	2-7
2.3.8	Multiple Meters.....	2-7
2.3.9	Meter Testing .....	2-8
2.3.10	Pressure Reducing Valves.....	2-8
2.3.11	Booster Facilities .....	2-8
2.3.12	Cross-Connection Prevention .....	2-9
2.3.13	Backflow-Prevention Assemblies.....	2-9
2.3.14	Relocation and Abandonment of Delivery Points.....	2-10
2.3.15	Resale.....	2-10
2.3.16	System Disturbances .....	2-11
2.3.17	Freezing.....	2-11
2.3.18	Interruption of Service .....	2-11
2.3.19	Additional Water Supply .....	2-11
2.3.20	District Representation by Employees .....	2-12
2.4	Meter Reading, Billing, Payment, and Collections.....	2-12
2.4.1	Meter Reading.....	2-12
2.4.2	Multiple Delivery Points.....	2-12
2.4.3	Billing .....	2-12
2.4.4	Payments .....	2-13
2.4.5	Payment Plans .....	2-13
2.4.6	Adjustments .....	2-13
2.4.7	Late Payment Charges.....	2-15
2.4.8	Disconnect Notices .....	2-15
2.4.9	Collection.....	2-16
2.4.10	Extenuating Circumstances.....	2-16
2.4.11	Insolvent Accounts.....	2-17
2.4.12	Transfer of Unpaid Balances.....	2-17
2.5	Dispute Resolution.....	2-17
2.5.1	Mandatory Hearing .....	2-17
2.5.2	Discretionary Hearing.....	2-18
2.5.3	Dispute Resolution Procedures .....	2-18
2.6	Rates, Fees, and Charges.....	2-18
2.6.1	Service Connection Charge.....	2-18
2.6.2	General Facilities Charge (GFC) .....	2-18
2.6.3	Distribution System Charge (DSC).....	2-20
2.6.4	Rate Schedules .....	2-21
2.6.5	Non-Standard Service Charges .....	2-21

2.6.6	Account Service Charge.....	2-22
2.6.7	Records Research Charge and Public Information Requests .....	2-23
2.6.8	Disconnection/Reconnection Charge .....	2-23
2.6.9	Discounts.....	2-23
2.6.10	After-Hours Connection Charge – New Customer or Vacant Account Reconnect.....	2-24
2.6.11	After-Hours Service Charge – Established Customers .....	2-24
2.6.12	Returned Check Charge .....	2-25
2.6.13	Field Collection Call Charge .....	2-25
2.6.14	Security Deposits .....	2-25
2.6.15	Charge at Cost for Non-Standard Service.....	2-26
2.6.16	Surcharges.....	2-26
2.7	Violations.....	2-26
2.7.1	Unauthorized Taking of Water, Tampering with Equipment, and Unauthorized Connection to the District's System.....	2-26
2.8	Fire Protection.....	2-27
2.8.1	Commercial Fire Protection Service .....	2-27
2.8.2	Hydrant Installation.....	2-28
2.8.3	No Guarantee of Adequate Water for Fire Protection .....	2-28
2.9	Special Arrangements for Short-Term Water Usage .....	2-28
2.9.1	Temporary Water Service .....	2-28
2.9.2	Hydrant Use .....	2-29
2.9.3	Bulk Water Withdrawals.....	2-30

### **3 Extension Policies**

3.1	Introduction.....	3-1
3.1.1	General Provisions .....	3-1
3.1.2	Application of Policies and Procedures .....	3-1
3.1.3	Standards and Specifications .....	3-1
3.1.4	Notification.....	3-2
3.2	Administrative Procedures for System Extension .....	3-2
3.2.1	Plan Approval Required.....	3-2
3.2.2	Application.....	3-2
3.2.3	District Review .....	3-2
3.2.4	Extension Agreement.....	3-3
3.2.5	Submittal of Plans and Specifications.....	3-3
3.2.6	Permits, Easements, and Approvals.....	3-3
3.2.7	As-Built Drawings .....	3-4
3.2.8	Final Acceptance.....	3-4
3.2.9	Letter of Credit.....	3-5

3.2.10	Maintenance Bond .....	3-6
3.2.11	Indemnify, Defend, and Save Harmless.....	3-6
3.2.12	Bill of Sale .....	3-7
3.2.13	Limited Period of Plan Validity .....	3-7
3.3	Financing and Fees.....	3-7
3.3.1	Financing Methods.....	3-7
3.3.2	Formation of a Local Utility District .....	3-8
3.3.3	LUD Assessments .....	3-9
3.3.4	Plan Review Fee .....	3-9
3.3.5	Extension Agreement Fee .....	3-9
3.3.6	Summary of Extension Fees .....	3-9
3.3.7	General Facilities Charge (GFC) .....	3-10
3.3.8	Distribution System Charge (DSC).....	3-10
3.3.9	Reimbursement Using the DSC .....	3-10
3.3.10	Non-Standard Engineering Fees .....	3-11
3.3.11	Over-Sizing and Replacement .....	3-11
3.4	Design .....	3-13
3.4.1	Standards and Specifications .....	3-13
3.4.2	Extension of Mains Along Property Frontages.....	3-13
3.4.3	Looping.....	3-14
3.4.4	Water System Fire Flow Requirements .....	3-15
3.4.5	Water System Flow Standards Not Altered By Sprinkler System.....	3-15
3.5	General Construction Procedures.....	3-15
3.5.1	Technical Standards and Specifications.....	3-15
3.5.2	Approved Contractor .....	3-16
3.5.3	Pre-Construction Conference.....	3-16
3.5.4	Deviations .....	3-16
3.5.5	Taps to Existing Main.....	3-16
3.5.6	Service Equipment .....	3-16
3.5.7	District Access .....	3-17
3.6	Interim Connections .....	3-17
3.6.1	Introduction.....	3-17
3.6.2	Interim Connection Agreement.....	3-17
3.6.3	Fees and Charges .....	3-17
3.6.4	Easements, Property Rights, and Permits .....	3-18
3.6.5	Termination of Interim Service.....	3-18

## **4 Satellite System Management**

4.1	Introduction.....	4-1
4.1.1	Background .....	4-1
4.1.2	Types of Service.....	4-1
4.2	Policies and Procedures for Direct Service .....	4-2

4.2.1	Conditions .....	4-3
4.2.2	General Policies and Procedures.....	4-3
4.2.3	Review and Approval Procedures.....	4-4
4.2.4	Submittal to Commission.....	4-6
4.2.5	Refund of Advances for Feasibility Studies.....	4-6
4.2.6	Agreements and Conveyances .....	4-6
4.2.7	Rates, Fees, and Charges.....	4-6
4.3	Policies and Procedures for Contract Services .....	4-7
4.3.1	Conditions.....	4-7
4.3.2	Review and Approval Procedures.....	4-7
4.4	Policies and Procedures for Support Assistance .....	4-8
4.4.1	Conditions.....	4-9
4.4.2	Review and Approval Procedures.....	4-9
	Exhibit 4-1 Satellite System Program Service Application and Review Procedures Flow Chart.....	4-10

**Appendix A            Standards and Specifications for Design and Construction**

A1	Introduction.....	A-1
A2	Design Standards .....	A-1
A2.1	Water Source Development .....	A-1
A2.1.1	Water Source Construction.....	A-1
A2.1.2	Water Rights .....	A-1
A2.1.3	Water Quality.....	A-2
A2.2	Transmission, Storage, and Distribution.....	A-2
A2.2.1	Pipe Materials .....	A-2
A2.2.2	Pipe Sizing .....	A-2
A2.2.3	Pipe Layout .....	A-3
A2.2.4	Storage Facilities.....	A-4
A2.2.5	Pressure Requirements.....	A-4
A2.2.6	Pressure Reducing Stations.....	A-5
A2.2.7	Fire Flow.....	A-5
A2.2.8	Fire Hydrant Spacing .....	A-5
A2.2.9	Valve Placement .....	A-5
A2.2.10	Water and Sewer Line Separation .....	A-6
A2.2.11	Pump Stations .....	A-6
A2.3	Water Services .....	A-9
A2.3.1	Standard Water Services.....	A-9
A2.3.2	Irrigation Water Services .....	A-10
A2.3.3	Backflow Prevention.....	A-10
A3	Material and Construction Specifications .....	A-10
A3.1	General.....	A-10
A3.1.1	Standard Specifications.....	A-10
A3.1.2	Reference Specifications.....	A-11
A3.1.3	Approval Equal.....	A-11

A3.1.4	Inspection .....	A-11
A3.1.5	Existing Utilities or Obstructions in the Public Right-of-Way .....	A-11
A3.1.6	Salvage of Material .....	A-12
A3.1.7	Disposal of Asbestos Material .....	A-12
A3.1.8	Petroleum Contaminated Soils Removal and Disposal .....	A-12
A3.1.9	Laws and Safety Regulations .....	A-13
A3.1.10	Surface Restoration .....	A-14
A3.1.11	Asphalt Concrete Pavement/ ATB .....	A-14
A3.1.12	Temporary MC Cold Mix Asphalt .....	A-14
A3.1.13	Crushed Rock Surfacing .....	A-15
A3.1.14	Dust Control .....	A-15
A3.2	Material Specifications .....	A-15
A3.2.1	Water Piping- General .....	A-15
A3.2.2	Ductile Iron Pipe .....	A-16
A3.2.3	Poly and PVC Pipe .....	A-16
A3.2.4	Pipe Fittings .....	A-16
A3.2.5	Resilient Seated Gate Valves (2" Thru 12" Valves) .....	A-16
A3.2.6	Butterfly Valves (12" or Larger Valves) .....	A-17
A3.2.7	Tapping Tee and Valve .....	A-17
A3.2.8	Combination Air-Vacuum Release Valve Assembly .....	A-17
A3.2.9	Valve Boxes, Marker Posts and Asphalt Protection Pad .....	A-17
A3.2.10	Fire Hydrant Assemblies .....	A-18
A3.2.11	Blow-Off Assemblies .....	A-18
A3.3	Construction Standards .....	A-18
A3.3.1	Installation of Pipe .....	A-18
A3.3.2	Installation of Valves, Valve Boxes, and Asphalt Protection Pad .....	A-19
A3.3.3	Installation of Valve Marker Posts .....	A-19
A3.3.4	Installation of Services .....	A-19
A3.3.5	Installation of Back Flow .....	A-20
A3.3.6	Alignment .....	A-21
A3.3.7	Trench Depth .....	A-21
A3.3.8	Installation of Water Main Casing .....	A-21
A3.3.9	Concrete Blocking .....	A-21
A3.3.10	Connection of Existing System .....	A-21
A3.3.11	Temporary Construction Connection to Existing System .....	A-23
A3.3.12	Valve Operation .....	A-23
A3.3.13	Earthwork .....	A-23
A3.4	Testing and Sterilization .....	A-25

A3.4.1	Hydrostatic Pressure Test.....	A-25
A3.4.2	Leakage Tests.....	A-25
A3.4.3	Disinfection and Bacteriological Purity Test .....	A-26
A3.4.4	Disposal of Chlorinated Water.....	A-26
A3.5	Traffic Maintenance.....	A-26
A3.6	Safety .....	A-27

**Detail Drawings**

1" Standard Domestic Water Service.....	101
Existing 1" Service Replacement.....	102
Typical Guidelines for Pre-Run Water Services.....	103
1" Single Family Residential Fire Service .....	104
1-1/2" – 2" Standard Meter Installation .....	111
2" Multi Family Residential Fire Service .....	112
2" Standard Meter Installation with 2" PRV .....	113
Meter Vault for 3" and Larger .....	121
Fire Hydrant Assembly .....	201
Fire Hydrant Cut or Fill .....	202
Fire Hydrant Guard Post .....	203
Concrete Blocking.....	301
1" Combination Air/Vacuum Release Valve Assembly .....	401
2" Flush Style Blow-Off Assembly .....	402
2" Flush Style Blow-Off Assembly (Not Adjacent to Main).....	403
Protection Pad Detail .....	404
Operating Nut Extension Detail.....	405
Valve Marker Post Details .....	406
Valve Box Detail 407	
Typical Casing Detail.....	501
Double Detector Check Assembly (DCDA) 3" & Larger "Fire System" .....	601
Double Check Valve Assembly (DCVA) 3" & Larger Services.....	602
Reduced Pressure Detector Assembly (RPDA) All Sizes "Fire System" .....	603
Reduced Pressure Backflow Assembly (RPBA) Installation Notes .....	604
Reduced Pressure Backflow Assembly (RPBA) 2" Retrofits.....	604A
Reduced Pressure Backflow Assembly (RPBA) 2" Hot Box 1 of 2.....	604B
Reduced Pressure Backflow Assembly (RPBA) 2" Hot Box 2 of 2.....	604C
Air Gap for Tank 605	
Double Check Valve Assembly (DCVA) 1" & Smaller.....	606
DCDA – 3" & Larger (Installed Inside Building).....	607
RPBA – All Sizes (Installed Inside Building).....	608
Pressure Reducing Valve (PRV).....	701
Typical Road Crossing Detail .....	801

Trench Within Crushed Rock Road Shoulder .....802  
Typical Crushed Rock Trench Detail.....803  
Water As-built Detail.....901
