RE: Monroe water service area boundary and PUD water customer located at 10629 215<sup>th</sup> AVE SE Snohomish, WA. 98290. Snohomish County Tax ID 28072000200900/20280720090004

Dear Brant,

The City of Monroe does not have adequate facilities in place in order to provide reliable water service to the above referenced address. The address is within the Monroe water service area boundary. Monroe will continue to maintain current practice and allow Snohomish County PUD #1 to provide water service to this address until such time in the future that Monroe recognizes the need to build adequate facilities capable of serving 10629 215<sup>th</sup> AVE SE.

Sincerely,

Jakeh Roberts
