The screenshot shows the 'Search the Digital Archives' interface. It has three main search sections: 'Search By Name', 'Search By Keyword', and 'Detailed Search'. In the 'Search By Keyword' section, the 'Keywords' field contains 'Snohomish County Public Utility District' and the 'Collections' dropdown is set to 'Audio Records'. A 'Search' button is visible below these fields. The 'Detailed Search' section has a 'Select a Collection' dropdown set to '--Select Collection--' and another 'Search' button.

4. Select Snohomish County Public Utility District, Audio Recorded Meetings, 1936-Present
5. Select your search year in “Year From – Year To”

The screenshot shows the 'Audio Search' interface. On the left, there are dropdown menus for 'Record Series' (Audio Recordings), 'County' (-- Select a County --), and 'Title' (Snohomish County Public Utility Distric). A yellow callout box contains the text: 'Enter at least one search field, then click the 'Search' button in the lower right.' The main 'Audio Search' section includes a 'Committee, Agency Etc' dropdown set to '-- All Sources --', a 'Keywords to search for in the audio' field containing 'Snohomish County Public Utility District', and 'Tips' text: 'Try searching for phrases by using quotes: ex. "essential things for fish" or "Eastern Washington University" Try narrowing your search by selecting a committee from the drop down list above.' Below this is a 'Year' section with 'Year From' and 'Year To' input fields. A 'Search' button is at the bottom.
