NOTIFICATION OF SEPA DETERMINATION

April 1, 2022

Name of Proposal: 2021 Comprehensive Water System Plan Update

Project Description: The adoption of the 2021 Comprehensive Water System Plan by Public Utility District No. 1 of Snohomish County, which updates the 2010 Water Plan. This non-project action documents planning activities for water system upgrades and improvements anticipated over the next 20 years within Snohomish PUD’s water service areas.

The State Environmental Policy Act (SEPA) determination and Executive Summary of the Water System Plan are enclosed for your information.

SEPA public notices have been mailed to the following:
- Washington Department of Health
- Snohomish County Department of Public Works
- Snohomish Health District
- City of Arlington
