

Running for Warmth

Excitement at the start of the event!

Our banner at the finish line was a happy sight for participants!

PUD employees volunteered their time to cheer on participants!

We were proud to partner with Snohomish Running Company to offer the first-ever Run for Warmth 5K/10K in Snohomish last month. This was our first year sponsoring the Run for Warmth and a portion of the proceeds raised by the run will benefit our Project PRIDE program. Thank you to everyone who came out to run or walk, volunteered or just spent some time at our PUD booths during the event.

Project PRIDE provides one-time grants for families and individuals struggling to pay their energy bills. To help those in need, visit snopud.com/projectpride.

New Selections for Reading Between the Lines

Looking for exciting and informative books for your young reader? Check out the next two books in our *Reading Between the Lines* program, which provides energy-related books to local libraries for kids to check out. The next two books are *Old Enough to Save the Planet* and *Planet Power*. The books are available for check out at your local Everett Public Library or Sno-Isle Libraries branch.

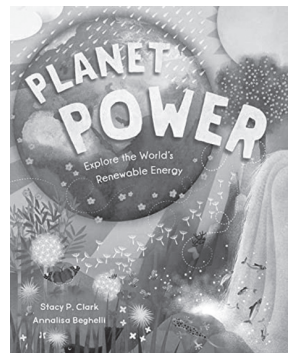

Here's a bit about each book:

Old Enough to Save the Planet highlights a dozen young activists from around the world who are speaking out and taking action against climate change. Learn

about the work they do and the challenges they face.

Planet Power explores six renewable energy technologies that are harnessing the planet's natural resources, including wind, water and sun, around the world. Inset boxes define new words like turbine, and illustrations help young readers envision the benefits of clean energy.

PUD Employees Honored for Heroic Efforts

Our employees, Bill Greenfield and Tommy O'Brien, were recently honored at the Governor's Industrial Safety and Health Conference for going above and beyond in saving a life while on the job. Bill and Tommy received the Governor's Lifesaving Award for rescuing a woman who was trapped outside in harsh winter conditions during a winter storm earlier this year. Great job, Bill and Tommy!

Be Vigilant Against Scammers

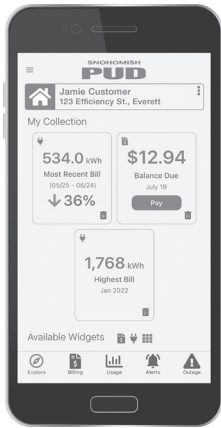

In an attempt to take advantage during these uncertain times, scammers have increased activity during the pandemic. Scammers may approach your door impersonating a PUD employee and demanding payment. If a PUD employee knocks on your door, remember to always ask for appropriate identification like a PUD badge. Also look for PUD-branded clothing and vehicle. **We will never request payment at your door or through a third-party payment process.** If you receive a call or visit that raises doubts, please call our Customer Service team at 425-783-1000.

Our Holiday Bazaar & Light Exchange Returns!

We are hosting a **Holiday Bazaar and Lighting Exchange** on Friday, December 9, from 8:30 a.m. to 3 p.m. at our downtown Everett headquarters (2320 California Street). This event benefits our Helping Hands fund that helps low-income seniors with their PUD bills. Visit snopud.com for details!

Download Our New MySnoPUD App

PUD customers can now download our new MySnoPUD app for easy access to payment tools, and billing/usage information as well as sign up for email/text notifications. The new MySnoPUD app is free and available in the Apple App Store and Google Play Store.

Power Talks: PUD Gift-Buying Guide

Learn about some fun and energizing gifts for that hard-to-buy-for person on your list at our next Power Talks presentation on Thursday, Dec. 8, at noon. **We'll also be giving away some of those items to those who register.** Visit snopud.com/powertalks to register. Our online Power Talks are free to attend and are presented via Microsoft Teams.

Our special pricing on thermostats is too good to "leaf" behind!

Visit the PUD Marketplace to rake in these savings for electrically heated homes!

Limited time offers available 11/15/22 to 11/29/22.
