

Electric Vehicle Residential Charger Rebate Application

Snohomish PUD Rebate Program

Get a \$200 Rebate!

ELIGIBILITY

If you are a PUD customer and you live in a single family, manufactured home, or condominium you are eligible for this rebate. (Limit one per home.) The electric vehicle (EV) charger must be on the Qualified Products List in effect at the time of purchase. More information is at snopud.com/evrebates.

Rebate submittals must be received within 90 days of the invoice date to be eligible.

EQUIPMENT & INSTALLATION INFORMATION

Please indicate which product you have installed, and complete all fields:

Manufacturer	Model	Serial #	Date Installed	PUD Rebate
			<div>MM DD YYYY</div>	\$200

The following are required responses to process your application:

- | | | |
|-------------------------------------------------|------------------------------------|-------------------------------------|
| What type of electric vehicle is being charged? | <input type="checkbox"/> BEV | <input type="checkbox"/> PHEV |
| Who installed the EV charger? | <input type="checkbox"/> Homeowner | <input type="checkbox"/> Contractor |
| What was the previous EV charger type? | <input type="checkbox"/> Level 1 | <input type="checkbox"/> Level 2 |

APPLICATION INSTRUCTIONS

1. Purchase and install a qualifying EV charger in an existing residential dwelling (see above) where there is an active meter using Snohomish PUD electric services.
2. Limit one EV charger rebate per Snohomish PUD household.
3. Review Terms and Conditions of this application and sign the Acceptance of Terms on the next page.
4. Mail this completed and signed application with the following supporting documents to the address below.
 - * A clear legible copy of your itemized sales receipt that shows retailer name, address, phone number, purchase date, manufacturer, model, purchase price and proof of payment. If applicable, contractor invoice must also include contractor name, installation date and installation address.

TERMS AND CONDITIONS

This rebate is available to Snohomish PUD customers with an active PUD metered account and cannot be mailed outside of the United States. Snohomish PUD is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications. Your rights to this rebate cannot be assigned or transferred. Homeowner acknowledges that rebate program is a limited offer and subject to availability of funds, and can be adjusted or terminated at any time without prior notice. This rebate cannot be combined with any other PUD rebate, unless specified in writing by PUD. Rebate cannot exceed the cost listed on the purchase receipt.

Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statutes (Title 18, USC 1341 and 1342). All submitted materials become property of Snohomish PUD and will not be returned.

Snohomish County PUD (PUD) offers an Electric Vehicle Charger Rebate to customers who purchase and install an ENERGY STAR certified Level 2 EV charger at their residence within PUD's service territory. Homeowner agrees to be contacted about and participate in future PUD EV charger programs, and agree to provide, or authorize the EV charger manufacturer to provide, PUD access to their charging data. The data collection will be used to conduct research on EV charging patterns and their collective effect on PUD's electrical system and develop strategies to mitigate their impact. In addition, Homeowner expressly agrees that the PUD may release the Homeowner's account information, including billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluating this program, confirming energy savings, and for other quality assurance purposes. This consent takes effect on the date of installation of the electric vehicle charger or the application date, whichever is later, and remains in effect for five years. Homeowner also agrees to participate in current or future demand response programs offered by the PUD for which the PUD determines Homeowner is eligible. Participation in any demand response program is subject to the terms and conditions of that program.

ACCEPTANCE OF TERMS

I hereby certify that all information provided is accurate. I have read all terms and conditions of this application and acknowledge that Snohomish PUD may verify all information provided.

Applicant Signature: _____ **Date:** ____/____/____
