

Appliance & Smart Thermostat Rebates

Snohomish PUD Rebate Program

Rebate submittals must be received within 90 days from the invoice date.

APPLIANCE & INSTALLATION INFORMATION

Please indicate which product you have installed and complete the related fields:

Qualifying Products	Manufacturer	Model #(s)	Date Installed	PUD Rebate
Clothes Washer ENERGY STAR® certified Please check one: <input type="checkbox"/> Top loader <input type="checkbox"/> Front loader			____/____/____ MM DD YYYY	\$25 Rebate
Clothes Dryer ENERGY STAR® certified			____/____/____ MM DD YYYY	\$50 Rebate
Heat Pump Clothes Dryer ENERGY STAR® certified			____/____/____ MM DD YYYY	\$250 Rebate

The appliance must be on the Qualified Products List (QPL) in effect at the time of purchase. The QPL can be found at snopud.com/connect2save.

SMART THERMOSTAT & INSTALLATION INFORMATION

Please indicate which product you have installed and complete the related fields:

Qualifying Product	Manufacturer	Model #	Serial #	Date Installed	PUD Rebate
Smart Thermostat				____/____/____ MM DD YYYY	\$75 Rebate

SMART THERMOSTAT ELIGIBILITY

If you are a PUD customer, your home is heated by an electric forced air furnace or ducted heat pump, and you live in a single family, multifamily or manufactured home, you are eligible for this rebate. (Limit one per home.) The thermostat must be on the Qualified Products List in effect at the time of purchase. More information is at snopud.com/thermostats.

Participating homes are subject to verification of heat source and installation. Homeowner consents to the release of data by the smart thermostat manufacturer to the PUD so that the PUD may validate and confirm that the thermostat has been installed and connected to a qualifying heat source in order to verify compliance with rebate requirements. This consent takes effect on the date of installation of the smart thermostat or the application for rebate, whichever is later, and remains in effect for two years.

In addition, Homeowner expressly agrees that the PUD may release the Homeowner's account information, including billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluating this program, confirming energy savings, and for other quality assurance purposes. Homeowner also agrees to participate in current or future demand response programs offered by the PUD for which the PUD determines Homeowner is eligible. Participation in any demand response program is subject to the terms and conditions of that program.

The following responses are required to process your Smart Thermostat Rebate:

By submitting this application, I confirm that my new thermostat has occupancy detection set to "on," is set to reflect the local geographic area, and is programmed to control a heat pump (if applicable). *If "no" is selected, the product is not eligible for a rebate.*

Yes No

Home type: Single Family (up to 4 attached units) Multifamily (5 or more attached units) Manufactured Home

Home construction: Existing Home New Construction

Heating system controlled by the thermostat: Electric Forced Air Furnace Ducted Heat Pump

Installed by: Homeowner Contractor

Previous thermostat type: Programmable Manual

TERMS AND CONDITIONS

Rebate will be provided to customers within 8-10 weeks of receipt of your complete, qualified application. You may call 425-386-8148 with questions.

Your right to receive this rebate will not be earned unless you purchase a new and not resold, qualifying product and follow the steps below. This rebate cannot be combined with any other PUD rebate, unless specified in writing by Snohomish PUD. This rebate is available to Snohomish PUD customers with an active PUD metered electric account and cannot be mailed outside of the United States. Snohomish PUD is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications. Your rights to this rebate cannot be assigned or transferred. The rebate cannot exceed the purchase price of the product.

Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statutes (Title 18, USC 1341 and 1342). All submitted materials become property of Snohomish PUD and will not be returned. Rebates vary by product categories and level of qualifying product efficiency. Additional rebates may be eligible for purchasing qualified most efficient products.

ACCEPTANCE OF TERMS

By accepting these terms, I hereby certify that all information provided is accurate. I have read all of the terms and conditions of this application and acknowledge that the PUD may verify all information provided.

Applicant Signature: _____ **Date:** ____ / ____ / ____

Rebate payment (check one): Apply credit to my PUD electric account Mail check to above mailing address

APPLICATION INSTRUCTIONS

- Purchase and install qualifying appliance or smart thermostat in an existing residential dwelling (see above) where there is an active meter using Snohomish PUD electric services.
- Limit one rebate per measure type, per Snohomish PUD household.
- Review Terms and Conditions of this application and sign the Acceptance of Terms.
- Mail this completed and signed application with the following supporting documents to the address below:
A clear legible copy of your itemized receipt that shows retailer, address, phone number, purchase date, description, manufacturer, model, purchase price and proof of payment.
Resource Innovations
c/o Snohomish PUD Rebates
2223 S. Highland DR, #E6-333
Salt Lake City, UT 84106
Required documents may alternatively be emailed to: SnoPUD@resource-innovations.com
