Accountability for Workplace Culture

Our PUD values are at the center of our culture. Putting the safety, health, and well-being of our communities and those we work with is valued above all else and everyone on Team PUD must meet this commitment daily. Nothing we do in achieving our Mission is worth a single injury, and all who interact with us must feel they are valued and welcomed as individuals.

Everyone on Team PUD, in all positions, is accountable for achieving this safe and welcoming culture by:

- 1. Taking full ownership for the safety of themselves and their coworkers, while ensuring everyone feels valued and welcomed.
- 2. Taking action to identify and eliminate their own and others' at-risk behaviors, including the behaviors that may undermine another's feelings of being welcomed and valued.
- 3. Following all safety rules and regulations and ensuring the PUD's expectations for conduct and respect are maintained.
- 4. Openly sharing near-misses, safety learning opportunities, and ways we can learn to be a more welcoming place while encouraging others to do the same.
- 5. Utilizing Stop Work Authority to intervene with anyone, anytime, in any place.
- 6. Intervening or seeking guidance to stop actions that are harmful to the wellbeing, health, or sense of belonging of others, and which are detrimental to our PUD values.

Job Summary

Supports and develops a proficient knowledge in Joint Use and Permit processes and related documentation required for, and used in, Joint Use functions in order to support District obligations and responsibilities related to its assets. Use individual judgement and have the ability to provide Joint Use and Permits support to internal and external customers, including managing small projects as necessary. This position will develop a thorough understanding and knowledge of Joint Ownership Agreement and Pole Attachment License Agreement processes to support District Joint Use assets.

Accountabilities

Accountability #1

Support and coordinate various Joint Use projects and programs by being proficient in reviewing and processing required records correspondence associated with Joint Use tasks and effectively communicating with workgroup and internal and external customers.

Accountability #2

Support meeting compliance obligations by processing and maintaining documents associated with local agencies for right-of-way permissions related to District projects and facilities, working on special permitting related to those projects, interacting, responding, and coordinating activities with local agencies, and developing an understanding of violations related to Joint Use work.

Accountability #3

Support the workgroup in making data-informed decisions by understanding Joint Use attachments on District and jointly owned assets, and utilizing District related software, programs, and procedures for third-party attachment work making necessary additions and/or corrections as needed.

Accountability #4

Support maintaining customer service standards by promptly responding to customer inquiries, questions, and complaints by providing accurate and timely information, policies, and/or project objectives, and effectively interacting with, responding to, and coordinating the activities for customers and/or local agencies.

Accountability #5

Support in meeting internal and external customer commitments by establishing goals, objectives, priorities, schedules, and documents related to customer driven work, while developing a basic knowledge and understanding of contract agreements used in Joint Use.
