- ▶ To provide PUD a minimum of 10 days notice before installation;

  - ▶ Offensive/divisive subject matter
  - ▶ Political content
  - ▶ Advertisements/logos/promotions/messaging

The applicant understands and agrees to the following:

- ▶ The applicant is responsible for any extra costs associated with choosing to apply the decorative vinyl wrap outside the months of May to October when ambient temperatures may impact the efficacy of the materials used;
- ▶ The PUD reserves the right to request repair, removal, or replacement of the artwork should it begin to negatively affect the field service life of the PUD's equipment;
- ▶ The PUD reserves the right to remove the vinyl wrap upon termination of agreement or for any safety or reliability requirement;
- ▶ In the event of an emergency, equipment failure, or system upgrade, the PUD reserves the right to remove, relocate, or replace the equipment without contacting the applicant prior to the work being complete; and
- ▶ The PUD reserves the right to reject any proposed artwork that "camouflages" the equipment in a manner that makes it difficult for utility field personnel to locate. The PUD reserves the right to terminate the agreement at any time at its sole and absolute discretion by giving written notice to the applicant.
